What if I still can't log in?

- This might be because your computer has remembered the old Teams site
- If you can't delete this from your computer, you can still log in using Private Mode
- Private Mode has different names according to the browser you are using

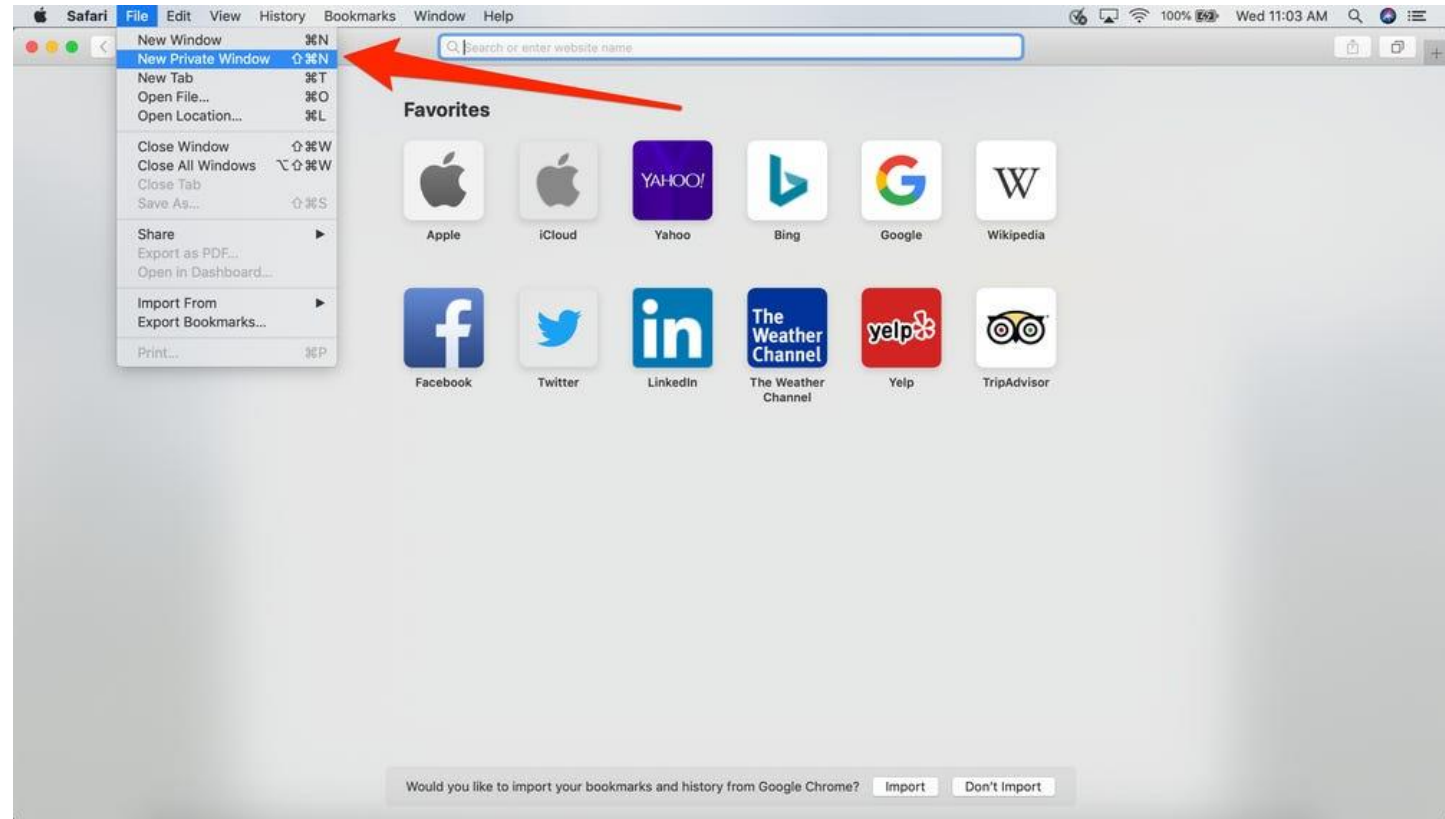

Incognito Mode on Chrome

- Select the **three dot icon** in the upper-right corner. Choose New Incognito window

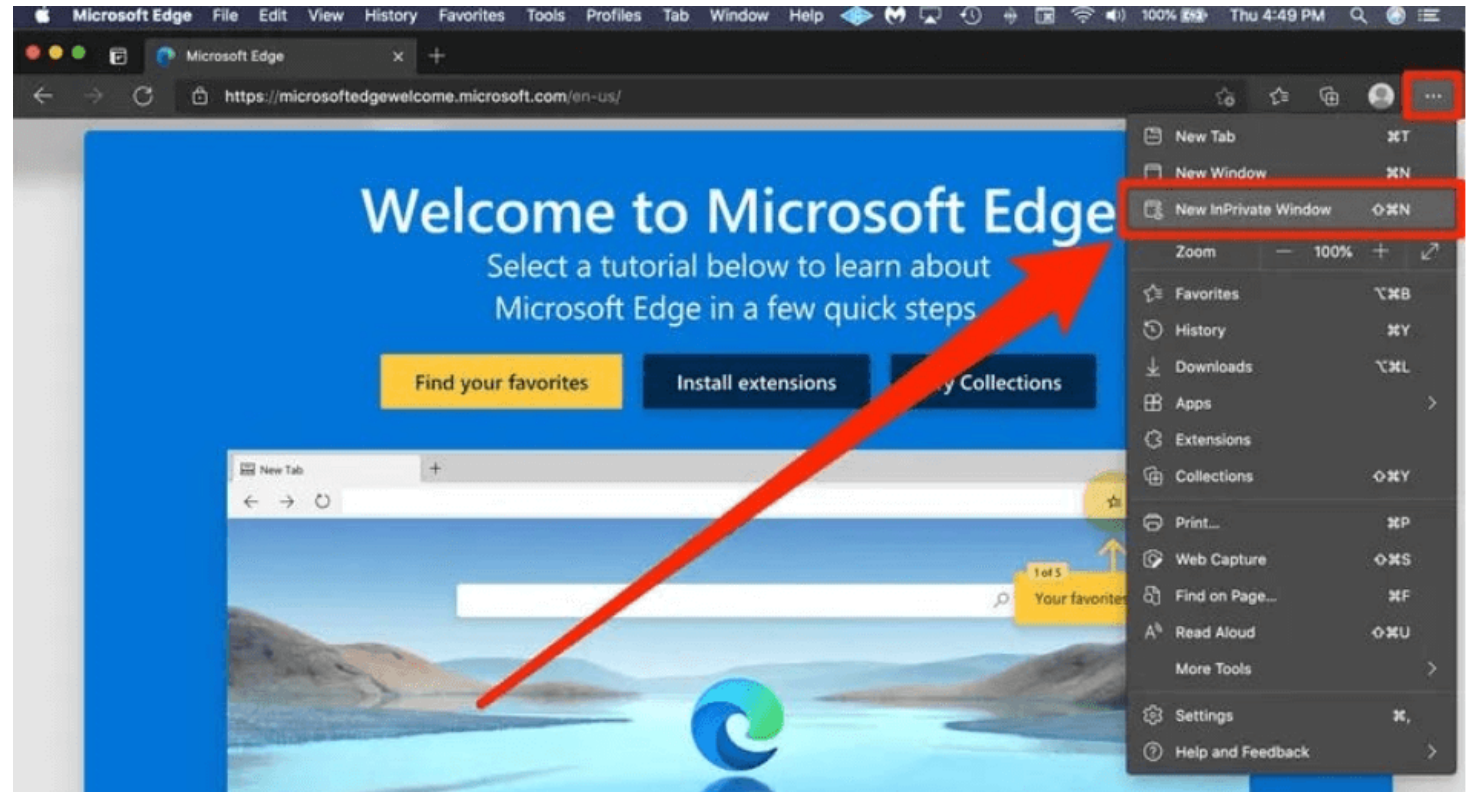

Private Browsing on Safari

- Select File and New Private Window

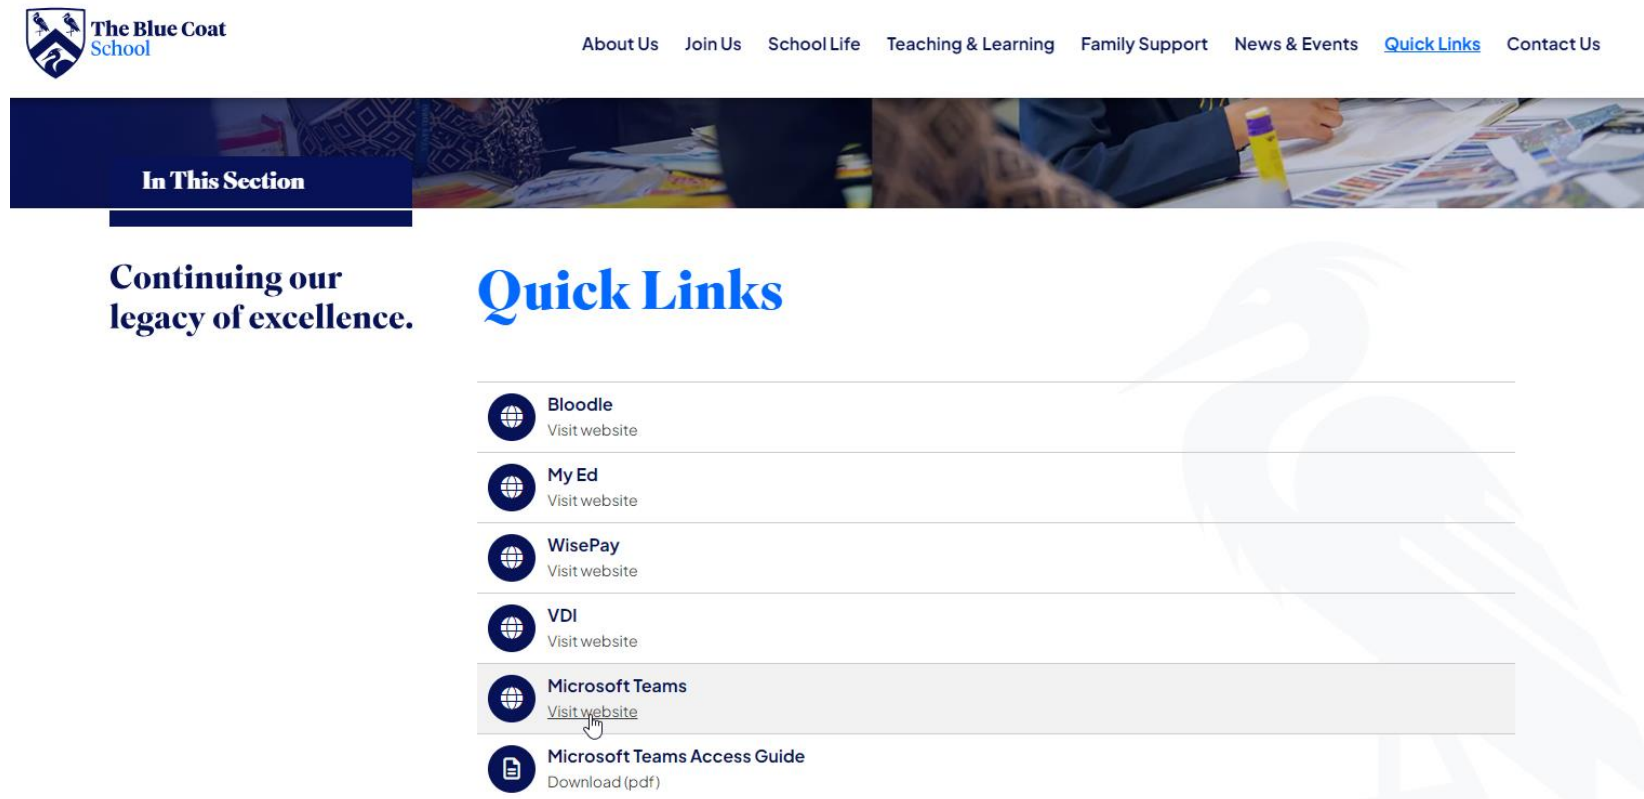

InPrivate Mode on Edge

- Select **New InPrivate Window** from the drop-down menu.

Once you've opened a private window...

- Navigate to www.blue-coat.org and open the follow the Quick Link to Teams

The screenshot shows the website for The Blue Coat School. At the top left is the school's logo, which includes a shield with a cross and the text "The Blue Coat School". To the right of the logo is a navigation menu with links for "About Us", "Join Us", "School Life", "Teaching & Learning", "Family Support", "News & Events", "Quick Links", and "Contact Us". Below the navigation menu is a banner image of students working at a table. A dark blue box with the text "In This Section" is overlaid on the left side of the banner. Below the banner, the text "Continuing our legacy of excellence." is displayed. To the right of this text is the "Quick Links" section, which lists several links: "Bloodle" (Visit website), "My Ed" (Visit website), "WisePay" (Visit website), "VDI" (Visit website), "Microsoft Teams" (Visit website), and "Microsoft Teams Access Guide" (Download (pdf)). The "Microsoft Teams" link is highlighted with a grey background and a mouse cursor is pointing at it. A large, faint watermark of a blue bird is visible in the background of the Quick Links section.
