- If you are asking your vicar or religious leader to complete a section on this form, you should make sure that their section is completed by them and then handed back to you.
- This Transfer Form must be returned direct to the Blue Coat School. This can be done by post, or in person.

ADMISSIONS: GUIDANCE FOR CLERGY/LEADERS OF WORSHIP

(It is in your interests that you make sure your leader of worship sees these guidelines).

We are very grateful to the clergy/leaders of worship for the time they take to support families applying to Blue Coat for places for their children. As there are always more applicants than places, we need to ensure that our oversubscription criteria and procedures are absolutely open, fair and transparent, and we rely on the information you give us to achieve this. The responsibility for completing and returning the two-part form rests with the parent/legal guardian, but your information, contained in Sections B, C and D below, is absolutely essential, since it is on this that we prioritise places. If you feel that there are exceptional circumstances that have limited or prevented attendance at public worship with a parent or guardian, please complete and return the Exceptional Circumstances section (Section E) below. Further information about exceptional circumstances can be found in the Admissions Policy on the school website. Please provide the details required and sign where indicated in respect of the **child and one parent/legal guardian as of 31 August 2025**. **Please only sign the relevant sections.**

Our experience has emphasised the importance of clergy/leaders of worship discussing completed forms with the family. This puts less pressure on individuals later to support appeals that are unlikely to succeed. If the family attend or, have recently attended at other churches/places of worship, it is their responsibility to return the additional forms. In such cases a total of all of the points from the different forms will be used, subject to annual limits. Should the application go to appeal, all information on the form will be considered by the Appeals Panel, and the appellant will receive all information contained in the form, but the information will be treated as confidential.

You will appreciate that for our admissions to be fair, your support and accuracy is essential. We are aware of the extra work that checking registers and consulting with Sunday School teachers or wardens creates and we are deeply grateful for your help.
