8th April, 2020

Dear Parents and Carers,

I hope that you and your families are all safe and well.

Due to the closure of schools, we were unable to hold our school Easter Service this year. Our end of term services at Easter and Christmas bring us together and define us as a school community, and it is a real shame that we had to cancel this years. Over the last few days, our school chaplain Mr Ford, supported by Mrs English and Mrs Rutherford, have put together this Easter message which we would like you to share with our young people.

<https://cranmereducationtrust.com/news/>

It may also be nice if you sit through this short service together as a family and reflect on events over the last few weeks, as well as the significance of Easter.

As with all of our school services, there is a short reflective activity for our young people to complete, but please feel free to join in this as a family. Hopefully some of you will decide to share your reflections with us.

Wishing you a safe and peaceful Easter.

Yours sincerely,

Mr R. Higgins
Headteacher
The Blue Coat School
